

DIRECT CUSTOMER SUPPORT SERVICES

CHOOSE YOUR LEVEL OF SUPPORT FOR YOUR ACUMATICA SOLUTION

Acumatica provides two levels of technical and support service to complement the support you currently receive from your Acumatica partner.

Acumatica Direct Customer Support offers end users and technical professionals flexible options for accessing help, technical resources, and troubleshooting information, including access to the product experts at Acumatica to help with your technical issues.

Support resources include:

Information resources

- Acumatica Online Knowledge Base
- Community forums
- News and blogs
- Chat support

Training

- Acumatica Open University
- Webinar recordings

Case management

- Product downloads
- Online incident management
- Service Level Agreement (SLA) after-hours emergency support.

Developer support

- Help your in-house team extend Acumatica's functionality by leveraging Acumatica Cloud xRP Platform to develop new solutions
- Early adopter program with access to new features

Although your local partner is the best resource to help address complex business needs, Direct Customer Support can help you resolve basic troubleshooting and how-to requests quickly and cost effectively.

ACUMATICA CUSTOMER SUPPORT PRICING
