KEY BENEFITS

STAY CONNECTED 24x7

- Connect to Acumatica in real time so that you always have access to the latest information

GET MORE FROM YOUR DEVICES

- Integrate with your mobile devices to leverage unique capabilities such as camera or fingerprint reader

MINIMIZE DATA RE-ENTRY

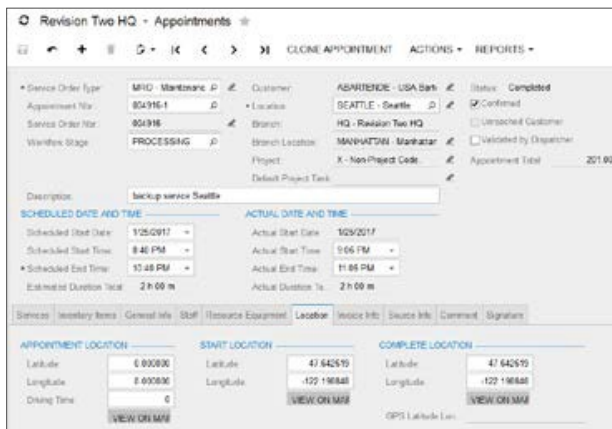

- Sync all data updates and changes you make in the mobile app with your Acumatica system—automatically

INNOVATE

- Extend functionality in the mobile app using Acumatica's Mobile Application Framework along with tools and languages your developers already use
- Develop advanced mobile solutions for your ERP on the Acumatica framework

MOBILE ERP APPLICATIONS FEATURES AND CAPABILITIES

- Time Reporting** Update Acumatica immediately—from anywhere, at any time—with mobile time card entry.
- Approvals** Review and complete approvals for time, expense, and sales orders in just a few clicks.
- Task Management** Create an event in the Acumatica mobile app and edit it from the Acumatica Customer Management Suite any time.
- Available on iOS and Android** Increase employee productivity by letting your staff work on the devices of their choice.
- Free Download** Download the iOS or Android app from the Apple App Store or Google Play at no cost.
- Mobile Push Notifications** Notifications of business events are pushed to Acumatica mobile app users. For example, this feature can be used to notify sales people of new opportunities.
- Navigation Tabs** Users can navigate to the most used detail lists by tapping or swiping the needed tab on the mobile form. For example, for a sales order record, users can view Summary, Details, and Settings

GPS integration
